

STRETCH FABRIC

The fabric stretches, which allows you to move comfortably and with ease while you wear it.

ADJUSTABLE WAIST

Easy pull seamless elastic tab that allows you to adjust down to fit to your size.

FLEXPANDABLE WAIST

Easy glide elastic waist tabs provide additional comfort and extend the product life of the garment as the clothes will grow with you.

EASY CARE WASH & WEAR

The ultimate blend of synthetic and/or natural fibres to ensure durability and ease of care.

STRONG SOFT FEEL FABRIC

Durable, tough fabric with soft and comfortable feel.

SCRATCH FREE NECK LABEL

Heat transferred label guarantees unbeatable comfort. No irritable or scratchy neck label.

COOL VENTS

Air conditioning for your under arms that allows you to stay cool and comfortable all day long.

REINFORCED KNEE PROTECTION

Double layered knee patch for extra protection.

REFLECTIVE

Reflective strips for visibility at night and during a cloudy day for extra safety.

LITTLE OR NO IRONING REQUIRED

Easy care - no fuss with no ironing.

WARMTH 'N' COMFORT LOW PILL

Tough, warm, comfortable and low pill.

REVERSIBLE

You can wear it inside out or outside in and you can still look like you are wearing a new pair of shorts.

TEFLON

Dupont Teflon fabric protector is a powerful stain fighting system which provides an invisible barrier around the individual fibre of fabric. Liquid spills bead and roll off and ground-in stains are released during washing.

ULTRAVIOLET PROTECTION FACTOR 50+

Our garments will provide the highest sun protection you can have, you can find it across all of the Stubbies schoolwear range.
